

# GIRLS in ENGINEERING

Make • Connect • Discover

Join us at UC Berkeley this summer for a week of hands-on engineering activities. With Berkeley staff and students as your teachers, you will learn firsthand about the exciting world of engineering!

## MAKE.

Address real world problems with hands-on activities  
Solve an engineering problem with your team

## CONNECT.

Cultivate communication skills  
Explore the Berkeley campus

## DISCOVER.

Make new friends and meet amazing mentors  
Learn from Berkeley engineers who are changing the world

Join us to see how fun engineering can be!
