What session(s) are you volunteering for? *

- Session 1 (June 17-21)
- Session 2 (June 24-28)
- Session 3 (July 8-12)
- Session 4 (July 15-19)

Why do we have this agreement?

Our volunteer program has become quite competitive and we expect that we'll need to turn away a large number of prospective volunteers. As a result, we are instituting this volunteer agreement to further clarify our expectations. This policy is also aimed at avoiding last-minute cancellations, as these present a significant problem since each team of campers needs a volunteer.

Violating this agreement may lead to you being removed as a volunteer for GiE.

We thank you in advance for following these policies, which will help our program run even more smoothly.
